Materials Estimator Madison

Description

FLOOR360 has an excellent opportunity for an experienced Materials Estimator to join our team of professionals. The ideal candidate would have a minimum of 2-3 years previous experience as an Estimator, but at a minimum be organized, motivated, detail orientated and results driven. The Estimator will use a computer software program (Measure by RFMS) to determine all of the material and labor needed for residential and commercial projects. This position is a perfect opportunity to build an outstanding career with a fast-growing company that just celebrated its 23-year anniversary. We offer a competitive starting salary commensurate with experience, with an outstanding benefits package along with a progressive company culture. FLOOR360 is an equal opportunity/affirmative action employer. A copy of FLOOR360 Affirmative Action Plan for the City of Madison is available upon request.

Responsibilities

- Import construction documents into the measure software program.
