

SCHLUTER-DITRA HEAT

SCHLUTER HEAT SYSTEM WARRANTY

Schluter – Ditra Heat System Limited Lifetime Warranty

Ditra Heat is the only electric floor warming system that directly incorporates uncoupling technology to ensure that floors are not susceptible to cracked tiles and grout. Cables can be placed wherever heat is desired for customized heating zones, and no leveling compounds are required.

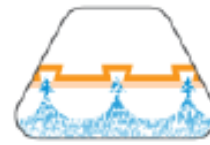

The Schluter – Ditra Heat Limited Lifetime Warranty applies to any cracked tile/grout, & warming system of the consumers floor if installed using the Schluter System WITH the Schluter Thin-Set System. All FLOOR360 installers are Schluter Certified, providing each consumer with the best professional installation service possible. For this reason, if you experience problems related to how it was installed FLOOR360 will promptly address your concerns and act to correct any problems.
